Training in Malawi

# Year End Challenge

2018 has been a great year! We have trained well over 200 Pastors and Church Planters this year in Malawi, El Salvador, Costa Rica and Mexico. Uganda, South Sudan and Ukraine were scheduled for Oct & Nov but due to two surgeries, one at the end of August and the second in October, I have had to reschedule those training events into 2019.

I'm writing in hopes of challenging you to make a Year End Gift to support what I do through GTN.

**The vision for 2019 is to train, equip and empower 300+ Church Planters and Pastors** who have chosen, despite trials and hardships to follow Jesus and lead on in the Kingdom of God.

One of the two venues that Thor taught at in Malawi. We trained over 50 Church planters and Pastors in Malawi.

Each of those pastors has an extended ministry reach of 100+ people. The potential before us is to bring the Kingdom of God to over **3,000+** lives in 2019. For us, it's all about Jesus.

**We cannot do this alone.** We not only need the church planters reproducing what they have learned with their people, but also need ministry partners supporting us in the process as well.

I want you to know people I've trained throughout the world continue to tell me how grateful they are to you for funding this ministry.

**As 2018 comes to a close I want to ask you to give a year end gift and sign up for a regular monthly gift in 2019.**

I had an artificial knee put in on Oct 23 and am grounded for two months (no travel!). These are my chief fund raising months.

So, I'm trying to get a jump on 2019 by doing a year end challenge. Your help and commitment will allow me to begin the new year in good financial shape.

Thanks in advance for your donation.

Because of you tens of thousands have come to Jesus and over 1000 plus churches have been planted, most in unchurched villages, during the last 6 years by the men and women that I have had opportunity to train.

You are a rock star! Thank you. Blessings,  
Thor Colberg

# A Few of the Thousands of Testimonies

## Malawi

"After receiving the training which Pastor Thor did in July, many who attended that training started ten bible study groups in different areas. The program is going on well and the team leaders are going in these areas twice a week. We thank God for this program and we see this working. Our project is that we want to form 50 by the end of this year 2018." Pastor Arnold Lenso Thomeya - Malawi

"As i said we found very interesting and powerful during translation of ur notes, therefore by God grace have plans next yr of training our churches."

Pastor Akimu Chisale - Malawi

## Uganda

"We have **4 new churches** planted after your teaching last year. I will send you the photos of those churches and when you come back to Uganda next year you will meet all of them."

"Next year when you come you will meet with new leaders which have come up through your training, and I request you to spare one day when you come and we drive you to all the new churches which started in places where there no church."

Those photos of stones. People from different places nations, they go there and worship those stones but one of the leaders you trained last year went and started a church there and many people of that place gave their lives to Jesus, even one baptized 10 people. To Jesus be the glory.

Please continue to pray for us. God bless you. Pastor Henry Mugarula

## El Salvador

"In the training you helped us ...

experience Kingdom values as we learned about building the church from the bottom up. We experienced the ministry of the Holy Spirit. We experienced giving words of knowledge and some experienced healing. We were motivated with your teachings to do the works of the Kingdom....I wish you come back next year." Pastor Alfredo

## Costa Rica
